The French Camp Engineer Candidate will possess the following minimum qualifications:

- 18 years of age or older
- California State Firefighter I
- California State Firefighter II
- California State Fire Driver Op 1A & 1B
- High School diploma or GED
- California Driver's License (Class "C" FF Endorsement, Class "A" or Class "B")
- Certified State of California EMT
- Possession of a Candidate Physical Abilities (CPAT) card obtained within the last 12 months.
- One (1) year experience as a career engineer in a department of equivalent size or three (3) years' experience as a volunteer/reserve fire engineer.

DESIRABLE QUALIFICATIONS

- California State Company Officer
- California State S-231 Engine Boss
- ICS 300
- CSFM Instructor I
- CSFM Company Officer 2D
- CSFM Company Officer 2E
- NIMS IS-800

BENEFIT PACKAGE

- The district contributes up to 100% of employee health, vision, and dental care plan.
- The district also will cover up to 80% of the cost of employee's dependents.
- The district contributes 12% of employee base pay to a 401(a)-retirement account.
- Voluntary participation in 457 supplemental retirement plan.
- Ten (10) hours of sick leave per month.
- Up to Twenty (20) hours of vacation per month.
- Overtime Opportunities
- Education Pay – 2.5% associate degree from accredited university, 5% for 4-year bachelor's degree or higher from accredited university (Max 5% for this incentive).
 - Bilingual Pay – 2.5% for up to one additional language with accredited certificate of proficiency at the CEFR B1 Level or specific language equivalent.

SELECTION PROCESS

To be considered for this opportunity, candidates must meet the minimum qualifications. Please submit:

- Fire District application. The application is available at www.frenchcampfire.com/employment-opportunities.
- Professional Resume, with three work-related references.
- External Applicants must provide copies of Licenses & Certificates.
- This process will be to establish an eligibly list for current and upcoming vacancies.

TESTING PROCESS

- Oral Interview with fire district personnel
- DMV Pre-Trip Inspection on District Apparatus
- Apparatus Pumping Scenarios on District Apparatus
- Background Investigation
- Medical Examination
- Must pass engineer written exam before end of 12 month probation
