Essay Prompt:

Please tell us about yourself, what you have achieved in high school, and what your future plans are. You may include your future career plans, education goals, major, etc. Include any extracurricular activities and community service you have taken part in (such as sports, clubs, awards earned, volunteer experience, etc.) Also feel free to include any achievements you are proud of. Explain how these activities have helped you grow as a person and/or how the experience you have earned will benefit you in the future.

The essay should have a minimum of 750 words and be 12-point font. The essay should be your own work. Please attach the essay to your application and email the complete packet, in PDF format, to:
